

CRADLED BY LOVE

By Wayne Visser

As you lie by my side
With your head on my chest
Our legs intertwined
My hand on your breast
The touch of your fingers
The smile on your face
The world is at peace
Everything's in its place

As the candlelight flickers
Our senses caressed
The music enfolds us
Safe snug in our nest
The cares of the world
Fade away without trace
We are cradled by love
In the soft arms of grace
