

FINALLY OVER

By Wayne Visser

What do you do
When it's finally over?

When trying harder is not enough
When rescues come too late, this time
When you are past the point of no return

It is a cruel and painful place
Suspended in the in-between
Between ending and beginning
Between letting go and touching again
Between leaving and loving
Suspended in the empty void
It is a sad and lonely space

When tears flow without comfort
When numbness and pain collide
When faith and love bleed

When it's finally over
What do you do?
