

GONE TOO SOON

By Wayne Visser

Like a raven in the night
You've taken flight
Taken flight
Towards the light

Like a sliver of the moon
You're gone too soon
Gone too soon
With one last swoon

Like a current in the stream
You're flowing free
Flowing free
Towards the sea

Like the whisper of a sigh
You've bid goodbye
Bid goodbye
With one last why

Like a rainbow in the mist
You're dearly missed
Dearly missed
Forever missed
