Where Am I?

Where am I? said Jordan.

I don't know ... exactly.

I'm frightened.

Why are you frightened?

Because I don't know where I am.

Are you sure you don't know?

Yes, I can't even see anything.

Are you sure you can't see?

Well, maybe I can, but everything is blurred.

Blurred?

Yes. It's like I'm standing in the middle of a cloud.

So you're standing?

Yes.

That means you're somewhere.

I guess it does.

That seems like a good place to start.

Where?

Where you are.

Oh. And where am I exactly?

I told you. I don't know, exactly. Only *you* know that.

I'm confused!

Perfect! Then you're ready.

I am?

You are.

Ready for what?

Ready to get started.
