Getting Started

What are we getting started with? said Jordan.

With finding out where you are.

Oh. I can do that?

Yes, you can. In fact, only *you* can.

Oh. Ok. So, how do I start?

By beginning.

And how do I begin?

By noticing where you are.

But I don't know where I am!

Are you sure you don't know? Maybe you just haven't taken the time to notice.

Really?

Really.

Ok. I notice that I am standing in a cloud.

Good. What else?

Nothing else.

Are you sure?

What do you mean?

It's what *you* mean that matters.

What I mean? I don't understand.

I noticed.

But I want to understand.

Good. Then you will.

But how?

By breaking things up.

Breaking things up? That sounds like fun!

Understanding is always fun.
