EXTRAMURAL ACTIVITIES

TRAVEL: Most of my travel has been linked to work, and I always like discovering new countries or cities. I have visited more than 60 countries over the past 20 years, including: Argentina, Austria, Australia, Azerbaijan, Belgium, Botswana, Brazil, Cambodia, Canada, Chile, China, Costa Rica, Dominican Republic, Ecuador, Egypt, England, Estonia, Finland, France, Germany, Ghana, Greece, Guatemala, Hungary, Italy, India, Japan, Jordan, Kenya, Latvia, Malaysia, Mauritius, Mexico, Mozambique, Namibia, Netherlands, New Zealand, Nigeria, Norway, Panama, Philippines, Poland, Portugal, Romania, Slovenia, South Africa, South Korea, Scotland, Spain, Singapore, Swaziland, Switzerland, Tanzania, Thailand, Turkey, Ukraine, USA, Vietnam, Wales, Zambia and Zimbabwe.

POETRY: Writing poetry is probably the main way I express myself creatively. I have written over 450 poems, grouped into ten themes: Africa, business, cycles, inspiration, love, musings, nature, people, places and spirit.

ART: I am a great appreciator of art, and occasionally do a bit of painting and sketching myself. My favourite period and personal style is probably impressionism.

NATURE: I enjoy getting out into nature, from parks and forests, to beaches and bushveld. Favourite spots are probably Victoria Falls in Zimbabwe, Knysna lagoon in South Africa, the Nile temples of Egypt and the redwood forests of California.
