

## THIS IS YOUR TIME

By Wayne Visser

This is your time  
Your time to rise  
To blaze and shine  
Don't say 'too late'  
Don't wait for fate  
To knock your door  
Just take the floor  
Take centre stage  
Break out the cage  
And act your dreams  
Dream your story  
Once-upon-a-time is now  
The page is blank  
You have the how  
This is your time  
Rewrite your rhyme  
And take a bow

This is your time  
Your time to lead  
To show the way  
To seize the day  
Don't stay a moment  
Longer looking back  
Your track is straight ahead  
You tread the warrior's path  
Don't fear, attack  
Take giant leaps  
Across the void  
Into the great unknown  
You've grown, now reap  
What you have sown  
This is your time  
Let brass bells chime  
The past has flown

This is your time  
Your time to live  
To love and laugh  
To trust your inner guide  
Take pride in what  
You've done and what  
You've yet to do, to be  
You'll see that life is not  
All strife and pain  
The rain is only passing by  
So why not sing and splash  
And flash your sound  
Your brilliance, resilience  
In turning things around  
This is your time  
To rise and shine  
You're skyward bound
