

## GENERATION FOUND

By Wayne Visser

Once I was a boy soldier –  
Now I'm shooting hoops  
I'm not the generation lost  
I'm bright and landing scoops

Once I was a girl servant –  
Now I'm skipping ropes  
I'm not the generation lost  
I'm proud and full of hopes

Once I was a phantom child –  
Now I'm quite a star  
I'm not the generation lost  
I'm strong and will go far

Once I was a nut to crack –  
Now I'm acorn's tree  
I'm not the generation lost  
I'm growing tall and free

Once I was a ghetto kid –  
Now I'm a go-getter  
I'm not the generation lost  
I'm good and getting better
