

## GONE TOO SOON

By Wayne Visser

Like a raven in the night  
You've taken flight  
Taken flight  
Towards the light

Like a sliver of the moon  
You're gone too soon  
Gone too soon  
With one last swoon

Like a current in the stream  
You're flowing free  
Flowing free  
Towards the sea

Like the whisper of a sigh  
You've bid goodbye  
Bid goodbye  
With one last why

Like a rainbow in the mist  
You're dearly missed  
Dearly missed  
Forever missed
