

## LISTEN AS SHE HUMS

By Wayne Visser

All the world's in harmony  
A thousand beating drums  
When I wake up in the morning  
And listen as she hums

All the world's a symphony  
A thousand chiming gongs  
When I'm walking past the bathroom  
And hear her singing songs

All the world's a carnival  
A thousand samba feet  
When I catch her in the kitchen  
Hips swaying to the beat

All the world's a canticle  
A thousand chanted prayers  
When I lie at night beside her  
And breathe away her cares
